Myers-Briggs Type Assessments for Teams

Specializing in providing team building and trust through use of the Myers-Briggs Type Indicator (MBTI).

After more than 50 years, the MBTI instrument continues to be the most trusted and widely used assessment in the world for understanding individual differences and uncovering new ways to work and interact with others. More than 2 million assessments are administered to individuals—including employees of many Fortune 500 companies—annually in the United States alone.

MBTI for Teams helps build trust and accountability by understanding and acknowledging the preferences we have for communication, information gathering and decision making.

Pricing for MBTI assessments start at \$50* per person for assessment materials and books.
